This home also includes a study and dining room. Large owner's entry off of two-car garage plus full basement.

STYLE OPTIONS

EUROPEAN

The European style is based largely on French homes of the medieval period seen in northwestern France, as well as the English Tudor style.

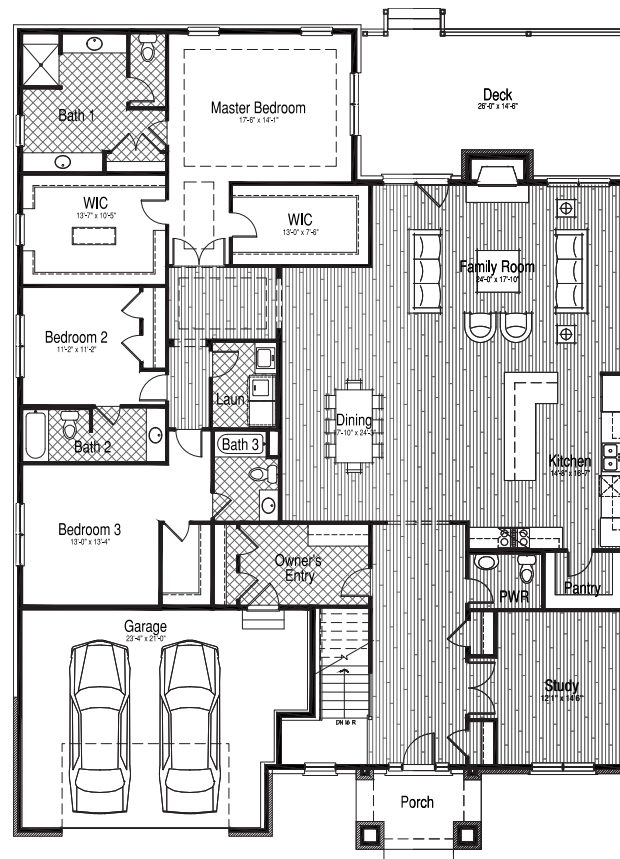

CRAFTSMAN

The Craftsman home style incorporates natural elements and simple detailing to create a home with a relaxed and informal appeal.

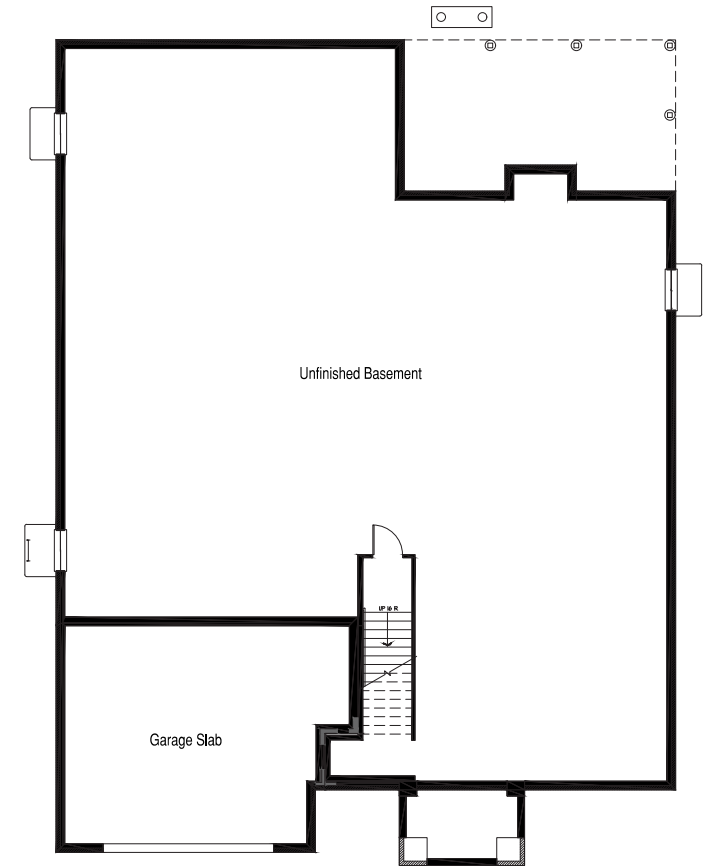

SOUTHERN CLASSICAL

Southern Classical style has its roots in the neoclassical and Greek revival styles and first became popular after the American Revolution.
